Press Release

Gallatin County COVID-19 Update

As of Monday, April 20, 2020, at 12 p.m. Gallatin County has a total of four active COVID-19 cases, with a cumulative total of 143 cases. There have been a total of 138 recovered in Gallatin County. There have been 1,780 people tested in Gallatin County.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases and any current hospitalizations.

More data can be found on GCCHD's new dashboard on our website at this link:

<https://www.healthygallatin.org/coronavirus-covid-19/>.

This dashboard will be updated by 12 p.m. each day.

Information on statewide cases continue to be found here:

All Gallatin County cases consist of community transmission, close contact, and travel related history.

Helping others helps you, too. Pitching in when our community, family, friends and neighbors need support doesn't just help them, but can offer you, as a giver, a sense of wellbeing and hope.

Reach out to someone to let them know you are thinking of them, share something that has helped you through a difficult time or even get busy sewing cloth face coverings for your family or friends. Check out some other ways to [donate and volunteer](#) locally.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.
