### Press Release

#### Gallatin County COVID-19 Update

As of Tuesday, April 28, 2020, at 12 p.m. Gallatin County has no confirmed new cases of COVID-19, for a cumulative total of 146. There are zero confirmed active cases. There have been a total of 144 people recovered and 2,096 people tested in Gallatin County.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases and any current hospitalizations.

More data can be found on GCCHD's new dashboard on our website at this link:

<https://www.healthygallatin.org/coronavirus-covid-19/>.

This dashboard will be updated by 12 p.m. each day.

Information on statewide cases continue to be found here:

<https://montana.maps.arcgis.com/apps/MapSeries/index.html?appid=7c34f3412536439491adcc2103421d4b>

Please note that local data on active cases may differ from the state map as the state map is only updated once daily and calculates active cases differently.

All Gallatin County cases consist of community transmission, close contact, and travel related history.

All vulnerable individuals should continue to follow the stay-at-home directives despite the state's phased reopening plan, which began on Sunday.

Who exactly is considered a "vulnerable individual?" The Centers for Disease Control and Intervention explains which people need to take extra precautions:

<https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/index.html>

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at [callcenter@readygallatin.com](mailto:callcenter@readygallatin.com).

215 W. MENDENHALL, BOZEMAN MT 59715

The most accurate local source of information remains the GCCHD website  
<https://www.healthygallatin.org/coronavirus-covid-19/>.
