### Press Release

#### Gallatin County COVID-19 Update

As of Saturday, April 11, 2020, at 4:30 p.m. Gallatin County has a total of 135 confirmed cases of COVID-19. Of those cases, two patients in the county are currently hospitalized.

Information on the genders and age ranges of all of our positive cases can be found online provided by the State of Montana here:

<https://montana.maps.arcgis.com/apps/MapSeries/index.html?appid=7c34f3412536439491adcc2103421d4b>

All Gallatin County cases consist of community transmission, close contact, and travel related history.

For the safety of families and the community, many are choosing to spend the Easter holiday at home, sans grandma and grandpa, and skip the annual Easter egg hunt at a local park. Even though COVID-19 may alter our celebration it will not alter our spirits.

Jasmine Hall, 29, is a native Montanan who lives in Bozeman with her boyfriend and 4-year-old daughter. She has a BA in journalism and media studies, previously worked as a newspaper reporter, and is Recording Supervisor at the Gallatin County Clerk & Recorder's Office. She shares what she's doing to celebrate differently this year. Read the full post [here](#).

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at [callcenter@readygallatin.com](mailto:callcenter@readygallatin.com).

The most accurate local source of information remains the GCCHD website <https://www.healthygallatin.org/coronavirus-covid-19/>.
