

# I'M CONSIDERED AN ESSENTIAL SERVICE, HOW DO I PROTECT MY EMPLOYEES?

## TIPS FOR EMPLOYERS

Place posters in the workplace and on job sites where they are likely to be seen that encourage

- staying home when sick
- cough and sneeze etiquette
- hand hygiene

Maintain a six foot radius from both employees and customers to reduce risk of transmission. Place signs or use other methods throughout your business or job site that encourages social distancing by employees and customers.

Have ample supplies of hand sanitizer or an easily accessible hand washing station for your employees, and consider offering customers a squirt of hand sanitizer after a transaction.
