Press Release

Gallatin County COVID-19 Update

As of Saturday, May 2, 2020, at 12 p.m. Gallatin County has no new confirmed cases of COVID-19, for a cumulative total of 146. There are no confirmed active cases. There have been a total of 145 people recovered and 2,255 people tested in Gallatin County. One person has died from COVID-19 complications.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

More data can be found on GCCHD's new dashboard on our website at this link:
<https://www.healthygallatin.org/coronavirus-covid-19/>.

This dashboard will be updated by 12 p.m. each day.

Information on statewide cases continue to be found here:
<https://montana.maps.arcgis.com/apps/MapSeries/index.html?appid=7c34f3412536439491adcc2103421d4b>

All Gallatin County cases consist of community transmission, close contact, and travel related history.

During Phase 1 of Montana's reopening, outdoor recreation is encouraged. But when you're outside, please keep these things in mind:

- Social distancing is still required.
- Local parks facilities and camp areas have their own timelines for reopening to the public. Check with them for the latest information.
- Staff will continue practicing frequent sanitizing protocols to keep us safe. Be courteous to them!
- Recreate locally and avoid crowded areas.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com

215 W. MENDENHALL, BOZEMAN MT 59715
