### Press Release

#### Gallatin County COVID-19 Update

As of Sunday, May 3, 2020, at 12 p.m. Gallatin County has no new confirmed cases of COVID-19, for a cumulative total of 146. There are zero confirmed active cases. There have been a total of 145 people recovered. One person has died from COVID-19 complications.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

More data can be found on GCCHD's new dashboard on our website at this link:

<https://www.healthygallatin.org/coronavirus-covid-19/>.

This dashboard will be updated by 12 p.m. each day. Due to an issue with the dashboard this weekend, we are unable to provide an updated total of the number of people tested in Gallatin County. As of April 30, there had been 2,255 people tested.

Information on statewide cases continue to be found here:

All Gallatin County cases consist of community transmission, close contact, and travel related history.

During Phase 1 of Montana's reopening, outdoor recreation is encouraged. But when you're outside, please keep these things in mind:

- Social distancing is still required.
- Local parks facilities and camp areas have their own timelines for reopening to the public. Check with them for the latest information.
- Staff will continue practicing frequent sanitizing protocols to keep us safe. Be courteous to them!
- Recreate locally and avoid crowded areas.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at [callcenter@readygallatin.com](mailto:callcenter@readygallatin.com).

The most accurate local source of information remains the GCCHD website <https://www.healthygallatin.org/coronavirus-covid-19/>.
