Press Release
Gallatin County COVID-19 Update

Gallatin County health officials announced six new confirmed cases of COVID-19 on Thursday, June 4, in addition to two cases reported to the public on Wednesday. Currently, Gallatin County has a cumulative total of 163 cases. There are 13 confirmed active cases. There have been a total of 149 people recovered in Gallatin County. One person has died from COVID-19 complications.

The new cases are located in various locations across Gallatin County.

Gallatin City-County Health Officer Matt Kelley will be holding a press conference today (June 4) at 2 p.m. Mountain Time to give an update on COVID-19 in Gallatin County. It will be live streamed on Facebook.

As we continue through our phased reopening of Montana, it's important to remember that the virus is still present in Gallatin County. Please remember these important guidelines to keep yourself, your family and your communities safe during reopening:

- Continue to practice good hygiene, and stay vigilant with handwashing and disinfecting frequently touched surfaces.
- Consider using cloth face coverings while in public, especially in situations where physical distancing may be difficult.
- If you are sick, stay at home and contact a medical provider.

More local data can be found on GCCHD's dashboard on our website here. This dashboard is updated by 12 p.m. daily. Please note: the Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

Information on statewide cases continue to be found here:

Local data on active cases may differ from the state map as the state map is only updated once daily and calculates active cases differently.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD website https://www.healthygallatin.org/coronavirus-covid-19/.
