Press Release

Special Board of Health Meeting Rescheduled

The Gallatin City-County Board of Health's special meeting has been rescheduled for 7 AM on Friday, July 17. The meeting will be virtual attendance only.

The agenda for Friday's meeting will remain the same as what was noticed for the July 14 meeting.

The first measure the Board will consider is a new emergency health rule that would require use of face coverings by most people within most indoor public settings, including retail businesses, bars and restaurants, government buildings and schools, and most other public indoor settings.

The second measure on the Board's agenda is an extension of the Board's emergency rule requiring people who have tested positive for COVID-19 to remain in isolation until they are no longer contagious.

The rules that the Board will consider on Friday can be found at [this link](#) under the "Related Docs" tab.

Public comments can be provided at <https://readygallatin.formstack.com/forms/boh>. The Board will accept written comments until 4 PM on Thursday, July 16.

To participate virtually in Friday's meeting, please register in advance at [this link](#). After registering, you will receive a confirmation email containing information about joining the meeting. Registration will remain open the day-of and throughout the meeting.

The meeting will also be audio live streamed [here](#).

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. for questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD [website](#).
