### Press Release

#### Gallatin County COVID-19 Update

As of Tuesday, July 21, 2020, at 12 p.m. Gallatin County has 25 new confirmed cases of COVID-19, for a cumulative total of 648. There are 87 confirmed active cases and five current hospitalizations. There have been a total of 560 people recovered in Gallatin County. One person has died from COVID-19 complications.

One case previously assigned to another area has been reassigned to Gallatin County and added to a previous day's total.

The new cases are located across Gallatin County and are related to community transmission, contacts to known cases and travel.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data may differ from data about Gallatin County provided by the state as the Gallatin City-County Health Department may be alerted to additional cases before the state.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

It's up to us to stop the spread of the COVID-19 pandemic. We can all be heroes. The governor has issued a directive for people age 5 and older to wear properly fitting face coverings in retail stores, restaurants, fitness facilities, schools and universities, and all other indoor public spaces where social distancing cannot be maintained.

Find out more about the rule at: <https://www.healthygallatin.org/coronavirus-covid-19/face-coverings/>

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at [callcenter@readygallatin.com](mailto:callcenter@readygallatin.com).

The most accurate local source of information remains the GCCHD [website](#).
