Press Release

Gallatin County COVID-19 Update

As of Wednesday, July 22, 2020, at 12 p.m. Gallatin County has 23 new confirmed cases of COVID-19, for a cumulative total of 673. There are 75 confirmed active cases and five current hospitalizations. There have been a total of 597 people recovered in Gallatin County. One person has died from COVID-19 complications.

Two cases previously assigned to another area have been reassigned to Gallatin County and added to previous days totals.

The new cases are located across Gallatin County and are related to community spread, contacts to known cases and travel.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data may differ from data about Gallatin County provided by the state as the Gallatin City-County Health Department may be alerted to additional cases before the state.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

We are seeing widespread community transmission of COVID-19 across Gallatin County. Now more than ever, it's important to continue social distancing, wearing face coverings when in public, and washing your hands frequently and thoroughly. Do your part to slow the spread of COVID-19 in Gallatin County.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD [website](#).
