Press Release

Gallatin County COVID-19 Update

As of Monday, July 27, 2020, at 12 p.m. Gallatin County has had 35 new confirmed cases of COVID-19 since Friday, July 24, for a cumulative total of 791.

There were 11 new cases reported on Saturday, 12 new cases reported on Sunday, and 12 new cases reported on Monday.

Two cases previously reported in Gallatin County were reassigned to other areas following further investigation.

The new cases are located across Gallatin County and are related to community transmission, contacts to known cases and travel.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data may differ from data about Gallatin County provided by the state as the Gallatin City-County Health Department may be alerted to additional cases before the state.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

[A local rule](#) and [a state directive](#) are currently in place requiring face coverings be worn by most people in public spaces in Gallatin County. But we need you to do more than just wear face coverings to slow the spread of COVID-19.

Reduce the number of close contacts you have as much as possible. Avoid crowded spaces. Wash your hands thoroughly and frequently. Clean and disinfect commonly touched surfaces. And stay home and contact a doctor if you're sick.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD [website](#).
