**Press Release**  
Gallatin County COVID-19 Update

As of Monday, Aug. 10, 2020, at 12 p.m. Gallatin County has had 34 new confirmed cases of COVID-19 since Friday, Aug. 7, for a cumulative total of 962.

There were 16 new cases reported on Saturday, nine new cases reported on Sunday, and nine new cases reported on Monday.

One case that was previously assigned to Gallatin County was reassigned to another area after further investigation.

There are 39 confirmed active cases and no current hospitalizations. There have been a total of 920 people recovered in Gallatin County. Three people have died from COVID-19 complications.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data may differ from data about Gallatin County provided by the state as the Gallatin City-County Health Department may be alerted to additional cases before the state.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

Thank you for your continued efforts to keep each other healthy and safe! Wearing face coverings, keeping your distance, and washing your hands are all small steps that we can take on our own to make a big collective impact. Our actions lead to a healthy, resilient, and connected community.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at [callcenter@readygallatin.com](mailto:callcenter@readygallatin.com).

The most accurate local source of information remains the GCCHD [website](#).
