**Press Release**  
Gallatin County COVID-19 Update

As of Monday, Aug. 3, 2020, at 12 p.m. Gallatin County has had 22 new confirmed cases of COVID-19 since Friday, July 31, for a cumulative total of 871.

There were 12 new cases reported on Saturday, eight new cases reported on Sunday, and two new cases reported on Monday.

Six cases that were previously assigned to Gallatin County were reassigned to other areas after further investigation.

There are 49 confirmed active cases and two current hospitalizations. There have been a total of 819 people recovered in Gallatin County. Three people have died from COVID-19 complications.

The new cases are located across Gallatin County and are related to community transmission, contacts to known cases and travel.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data may differ from data about Gallatin County provided by the state as the Gallatin City-County Health Department may be alerted to additional cases before the state.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

We are seeing widespread community transmission of COVID-19 all across Gallatin County. Please do your part to slow the spread. Wear a mask, avoid large gatherings, wash your hands and sanitize frequently touched surfaces!

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at [callcenter@readygallatin.com](mailto:callcenter@readygallatin.com).

215 W. MENDENHALL, BOZEMAN MT 59715
