Press Release

Gallatin County COVID-19 Update

As of Wednesday, Aug. 5, 2020, at 12 p.m. Gallatin County has 11 new confirmed cases of COVID-19, for a cumulative total of 915. There are 45 confirmed active cases and one current hospitalization. There have been a total of 870 people recovered in Gallatin County. Three people have died from COVID-19 complications.

The new cases are located across Gallatin County and are related to community transmission, contacts to known cases and travel.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data may differ from data about Gallatin County provided by the state as the Gallatin City-County Health Department may be alerted to additional cases before the state.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

Local employers can keep their workers safe and their doors open by following guidelines from health officials. More information and resources can be found for employers and businesses [here](#).

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD [website](#).
