Press Release COVID-19 Deaths in Gallatin County

The Gallatin City-County Health Department is saddened to announce that six more Gallatin County residents have passed away from complications due to COVID-19.

The people were:

- a woman in her 70s who died at a long-term care facility the week of Nov. 29
- a man in his 80s who died at a hospital the week of Dec. 6
- a man in his 80s who died at a hospital the week of Dec. 6
- a woman in her 90s who died at home the week of Dec. 6
- a woman in her 80s who died at a long-term care facility the week of Dec. 6
- a woman in her 90s who died at a long-term care facility the week of Dec. 13

The Gallatin City-County Health Department this week received official death certificates that showed their deaths were a result of COVID and other health conditions.

These latest deaths make for a total of 36 COVID-related deaths in Gallatin County. Data on statewide deaths reported by the Montana Department of Public Health and Human Services can be found [here](#).

“The Health Department is very saddened and sends our condolences to the families and friends of our neighbors who were lost,” said Matt Kelley, Gallatin City-County Health Department Health Officer. “With the arrival of vaccines in Gallatin County, we have a lot of reasons to be hopeful. But now is not the time to let up. We need continued help from everyone to continue to curb COVID-19 in our community.”

Out of respect for the families, no further details will be released.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.
