Press Release
COVID-19 Deaths in Gallatin County

The Gallatin City-County Health Department is saddened to announce that three more Gallatin County residents have passed away from complications due to COVID-19.

Two people were female in their 90s who died at their respective residences in long-term care facilities the week of Jan. 24, and another female in her 70s who died at a hospital the week of Jan. 17. The Gallatin City-County Health Department today received the official death certificates that attributed these deaths to COVID-19.

These latest deaths make for a total of 51 COVID-related deaths in Gallatin County. Data on statewide deaths reported by the Montana Department of Public Health and Human Services can be found here.

“The Health Department sends our condolences to all of these women’s families and friends,” said Matt Kelley, Gallatin City-County Health Department Health Officer. “We continue to administer the limited amount of vaccine doses we get allocated in Gallatin County each week. In order to safeguard our most vulnerable citizens, please continue social distancing, avoiding crowds, wearing face coverings, washing hands, and staying home when sick.”

Out of respect for the families, no further details will be released.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD website.
