RESOLUTION NO. 2021-005

A RESOLUTION RECOMMENDING APPOINTMENT OF THE GALLATIN CITY-COUNTY HEALTH OFFICER BY THE CITY OF BOZEMAN AND GALLATIN COUNTY

WHEREAS, the Gallatin City-County Board of Health ("Board") was created by interlocal agreement between Gallatin County and the City of Bozeman;

WHEREAS, the Gallatin City-County Health Officer ("Health Officer") was appointed by the Board pursuant to its duty at § 50-2-116(1)(a), MCA (2019), to appoint and fix the salary of a local health officer;

WHEREAS, the Health Officer oversees the operations of the Gallatin City-County Health Department and its staff;

WHEREAS, the Health Officer also carries out those duties at § 50-2-118, MCA, which include the duty to make inspections of conditions of public health importance; to issue orders to correct, destroy, or remove such conditions; and to take steps to protect the public from imminent health threats;

WHEREAS, acting Health Officer Matt Kelley has provided notice of his resignation, effective in June 2021, and the Board has been in the process of recruiting a new Health Officer;

WHEREAS, the Montana Legislature recently passed, and Governor Greg Gianforte signed into law, House Bill 121 ("HB 121");

WHEREAS, HB 121 became effective immediately and rescinds the authority for local health boards to appoint a health officer; instead, local boards must now recommend the appointment to the "governing body";

WHEREAS, the Legislature also recently passed, and Governor Gianforte signed, House Bill 257 ("HB 257"), which supersedes portions of HB121, but includes the same requirement that boards of health now propose appointment of the health officer to the governing body;

WHEREAS, Section 1 of HB 121 defines "local governing body" as

(a) the board of county commissioners that oversees a county local board of health;
(b) the elected governing body of a city that oversees a city local board of health;

or
(c) the entity identified as the governing body as established in the bylaws, interlocal agreement, or memorandum of understanding creating a city-county local board of health or a local district board of health.

WHEREAS, neither HB 121 nor HB 257 describe how the new appointment process must be performed for local health boards that are overseen jointly by a city and county;

WHEREAS, pursuant to HB 121 and HB 257, the Board is now limited to recommending appointment of the Health Officer to Gallatin County and the City of Bozeman, the local governing bodies;

WHEREAS, thirteen individuals applied for the position of Health Officer, and three candidates were interviewed by a hiring committee and also participated in a public interview;

WHEREAS, the public was able to view in real-time the public interview, submit proposed interview questions in advance, and submit public comment to the Board after the interview regarding the three candidates;

WHEREAS, based on the interviews and public comment received, the hiring committee has recommended that Lori Christenson be appointed as Health Officer; and

WHEREAS, Lori Christenson qualifies to serve as Health Officer pursuant to § 50-2-116, MCA, as she is a person with a master’s degree in public health.

NOW, THEREFORE, BE IT RESOLVED that, based on the recommendations of the hiring committee and as set forth in the findings made orally during the hearing on this matter, the Board recommends that Gallatin County and the City of Bozeman appoint Lori Christenson as the Gallatin City-County Health Officer, with such appointment commencing as soon as possible after June 7, 2021.

DATED this 27th day of May, 2021.
