

VACCINATIONS

TRAVEL VACCINES

Travel consultation:

Cost: \$50 for 1st person and \$25 per each additional person. The nurse prepares information based on your itinerary such as immunization recommendations, safe food and water instructions, insect borne precautions, etc.

Yellow Card:

Replacement Card: \$10

The International Certificate of Vaccination or Prophylaxis (ICVP), also referred to as the "yellow card," is the official, internationally recognized document that travelers use to document proof of vaccination for diseases.

**Call to make an appointment!
406-582-3100**

All prices refer to a single dose. Depending on the vaccine and your history, you may need more than one dose. Call to learn more.

We Bill Insurance!

Those with Medicare Part D plans will be asked to pay the patient portion not covered at time of service.

We offer the Vaccine For Children (VFC) Program for qualified children 0-18. Admin Fee: \$21/vaccine plus sliding fee scale offered. Call us for qualification.

We offer Vaccines For Adults (VFA) 19+ with no insurance or whose insurance companies do not pay for the following vaccines: MMR, HepA, HepB, TWINRIX, Influenza, Tdap, HPV. Admin Fee: \$21/vaccine (no additional slide offered).

Accepted forms of payment include cash, check, and credit or debit cards listed below.
